Wondering what there is to do in the area? We've got a few ideas and we're happy to help. Here is a collection of the top hand-picked local attractions our staff would like to recommend.

Park Drive-In Theatre - This is an old-school drive-in movie theatre with a go-kart course, miniature golf & a concession stand. The 18-hole mini golf course offers interesting and challenging fairways.

Prince George Golf & Curling Club - The golf course's sand bunkers, water hazards and challenging greens make this Par 71 course one of North Central BC's favorites. The curling club has 8 sheets of curling ice and a rich curling history going back to 1920s.

The Strike Zone - Family-friendly centre with 16 ten-pin bowling lanes, and an 18 hole glow-in-the-dark mini golf course with two different themes.

The Exploration Place Museum and Science Centre - Visit this playful science museum to experience dinosaur models, interactive exhibits, and a steam engine train ride.

Prince George Railway and Forestry Museum - The museum's varied collection dates from 1899 to 1960s, and includes numerous buildings, locomotives, rail cars, and artifacts from the steam and diesel railway eras. Kids will love the mini rail train ride!

Two Rivers Gallery - Explore contemporary art, rotating exhibitions, public programs, and a locally focused gallery shop at this downtown visual arts centre.

Treasure Cove Casino - Features a variety of table games, slot machines, and fantastic entertainment and events at the show lounge.

Ancient Forest Provincial Park - This park provides an opportunity to view enormous ancient cedar trees within BC's inland rainforest.

Cottonwood Island Park Trail - A system of trails along the Nechako River for walking, biking, and running. Many paved sections make this trail system accessible to everyone.

Forests of the World - A 106-hectare demonstration forest with interpretive trails, a fishing dock, lookouts and picnic tables.
